

# CAMPING MAD LIBS

My family and I are going camping near a \_\_\_\_\_ this summer. Camping is \_\_\_\_\_ because you get to \_\_\_\_\_ and \_\_\_\_\_ outside. When we \_\_\_\_\_ to the campground, we set up our \_\_\_\_\_ where we will \_\_\_\_\_ at night. We like to go \_\_\_\_\_ in the \_\_\_\_\_, hoping to \_\_\_\_\_ some \_\_\_\_\_ fosh for dinner. We also go \_\_\_\_\_ in the \_\_\_\_\_, hoping to spot wildlife like \_\_\_\_\_ or \_\_\_\_\_. My favorite part about camping is \_\_\_\_\_ over the campfire.
