

Decorating Snowmen

Two boys (Kris and Kringle) and two girls (Holly and Merry) were building tall snowmen. Each one of them used a different decoration to make their snowman special. The decorations were: an orange carrot, a black top hat, a striped scarf and a yellow broom for him to hold. Can you tell who used each decoration?

1. Holly did not want her snowman to have a hat.
2. One of the boys found a yellow broom to use.
3. Merry got her decoration from the refrigerator.
4. Kringle did not want anything yellow on his snowman.
