

EASTER BUNNY LOVE

Hello

I am the Easter Bunny and I have been told that you have all been very good this year.

I am also told that you like treasure hunts, so as a special treat for you all being so good, I have hidden some brightly colored eggs for you to find.

To find the hidden eggs follow the clues until you find your final surprise which will have a picture of you on it.

Here is the first clue to start you off.

Enjoy your hunt and have a great day.

Love from the
Easter Bunny
