Chart # \_\_\_

1 on this chart = \_\_\_ on chart # \_\_\_

The chart is a pedigree template for a family. It consists of several boxes representing individuals, connected by lines indicating relationships. The boxes are numbered 1 through 31. Each box contains fields for birth date and place, marriage date and place, and death date and place. The chart is organized into three generations. Generation I includes individuals 1, 2, 3, 4, and 5. Generation II includes individuals 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, and 31. Each box contains fields for birth date and place, marriage date and place, and death date and place. The chart is organized into three generations. Generation I includes individuals 1, 2, 3, 4, and 5. Generation II includes individuals 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, and 31. Each box contains fields for birth date and place, marriage date and place, and death date and place.
