

The image features a series of ten concentric, scalloped-edged outlines that resemble the petals of a peony flower. These outlines are arranged in a fan-like shape, with the innermost being the smallest and the outermost being the largest. The outlines are drawn with a thin black line on a white background. In the center of the largest, outermost outline, the text "Peony Flower Templates" is written in a bold, black, sans-serif font, arranged in three lines: "Peony", "Flower", and "Templates".
