

Santa Needed Help

Santa needed help to be on time to make his Christmas deliveries. So he asked some of the reindeer to help him wrap presents, pack the toys and check on the elves to be sure they were ready. Can you tell which job Dasher, Dancer and Rudolph did?

1. Dasher didn't want to wrap presents.
2. Dancer was cranky and wouldn't do anything with the elves.
3. Rudolph was too busy wrapping presents to check on the elves.
