

Resume Cover Letter

Dear,

I came across your advertisement for a vacancy for a Mechanic via the newspaper for your company, and I am very interested in applying for the position.

I hold a certificate in automotive technology and have been working as a mechanic for 5 years. I am currently working at, holding the same position. However, I believe that it is time for me to get a move on my career and this would be a great opportunity for me to do so. My work experience has equipped me to continue my career as a mechanic for a company like yours.

Attached is a copy of my resume and my references are also available for your perusal. Thank you for your time in reading this letter and reviewing my resume. I hope to hear from you soon.

Good day!

Regards,
