

A graphic illustration for a medical-themed border. It features a central white rectangular area with a grey border, set against a light orange background. The number '104' is prominently displayed in the center in a large, bold, dark grey font. Below the number, the words 'PRINTABLE MEDICAL BORDERS' are written in a smaller, bold, dark grey font. The graphic is decorated with various medical icons: several red and white capsules are scattered around the top and left sides; a white pill bottle with a purple cap is on the left; a brown pill bottle with a white cap and a colorful geometric logo is on the right; and a grey stethoscope is positioned at the bottom, with its tubing looping across the white area.
