SPELLING WORD SEARCH TEMPLATE

1. Choose 10 spelling words. Write them on the lines provided at the bottom of this page.
2. Then write each word you've chosen in the squares below with one letter per square (so you can read them vertically, horizontally or diagonally). Use only upper-case letters and print neatly!
3. Make your teacher a key by highlighting each word using a neon yellow highlighter so the answers won't get copied.
4. Fill in all the other empty boxes with random letters. Use only upper-case letters and print neatly!
5. Turn in this answer key. Make sure your name is at the top of the page.
