

Welcome
Back

The image features the words "Welcome" and "Back" in a bold, cursive, hand-drawn font. The text is filled with a purple halftone dot pattern and has a dark purple outline. The words are set against a bright yellow background. Above the word "Welcome" and below the word "Back", there are several thin, dark purple lines radiating outwards, resembling starbursts or light rays. The overall style is reminiscent of mid-century modern graphic design or pop art.
